BILLERICAY LIONS; ALL STEAMED UP QUIZ

From the very beginning with Stephenson's Rocket until the last steam hauled train services ran in 1968, we have given steam locomotives names. Fortunately many of these magnificent pieces of engineering have been preserved and this quiz contains clues to the names of 80 of them. Even if you don't think you know much about the subject you will still be able to enjoy solving the clues as, if you read the quiz carefully, you will find the list we used to set the questions.. The answers are 80 **different** locomotive names.
